Electric Shaver Specialists Opens Repair Shop in Downtown Torrance

The Electric Shaver Specialist's shop in downtown Torrance, it was announced by the owner, Max Miller.

Miller has been repairing all types of shavers for eight years. For five years he managed the largest electric-shaver repair shop in western Canada.

Miller said that since head patterns, skin, and contours of the face vary from man to man, shavers have become highly personalized utilities. He said best results can be obtained through a specialist.

He specializes in helping in selection of the right shaver for the individual.

He guarantees his expert repairing of all shavers and said fast service is one of the chief features of the establishment.

Hospital facilities in Torrance include two general and one county for a total of 939 beds and 88 bassinets capacities and one Catholic hospital with 150 beds and 40 bassinets.

Altitude of Torrance is 75 feet above sea level.
